

- uPVC Window & Door Machines
- Insulating Glass Machines

German Technology

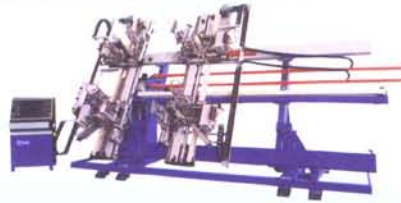

Value Investment, Extra Return

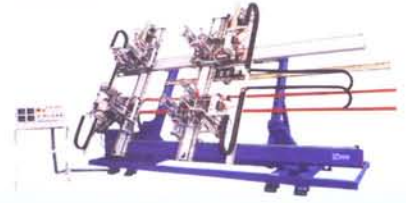

NEUTE MACHINE

**NW03-4H-CNC**

PVC win-door 4-corner welding machine with nc(horizontal)

**NW03-4V-CNC**

PVC win-door 4-corner welding machine with nc(vertical)

**NW03-4V**

PVC win-door 4-corner welding machine

**NW02-4**

PVC win-door 4-head welding machine

**NW02-3**

PVC win-door 3-head welding machine

**NW02-2**

PVC win-door 2-head welding machine

**NW04-2**

Two head welding machine(for colored PVC)

**NW01-1**

PVC win-door single-head variable-angle welding machine

**NS01-2**

Double mitre saw for aluminum and PVC profile

**NS02-2**

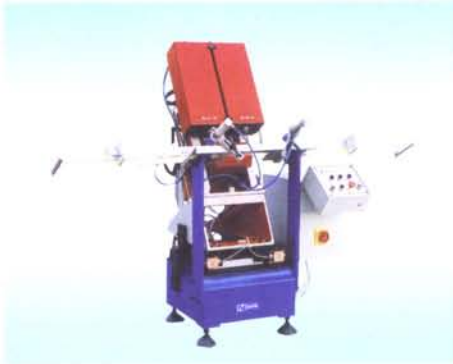

Double mitre saw for aluminum and PVC profile

**NS-GB**

PVC win-door glazing bead saw

**NS-V**

PVC win-door V-cutting saw

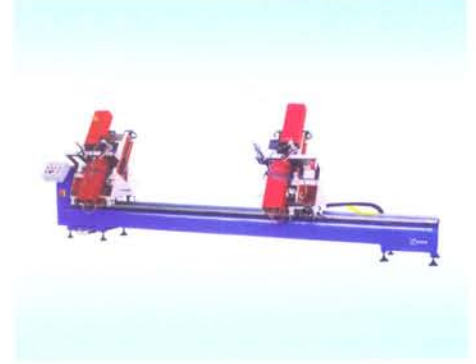

NM03-3

PVC profile auto water-slot routing machine

NM03-4

PVC profile auto water-slot routing machine

NM04

PVC profile 2-head auto water-slot routing machine

NM01-2

Copying routing machine for aluminum and PVC profile

NM02

PVC win-door lock-hole processing machine

NM05

Ending milling machine for aluminum and PVC window and door

NM06

PVC profile sealed cover milling machine

NC02-CNC

PVC win-door corner cleaning machine with nc

NC01

PVC win-door corner cleaning machine

NC-V

PVC win-door V-corner cleaning machine

NC-P120 Portable single-surface corner cleaning machine
 NC-IN Internal corner routing
 NC-EX External corner routing

NB01

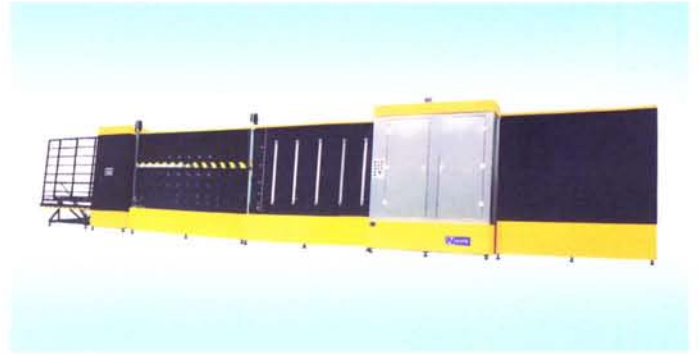

PVC arch bending machine

* Specification is subject to change without prior notice.

NGL02-VSA

Vertical semi-automatic insulating glass production line

NGL03-VA

Vertical automatic insulating glass production line

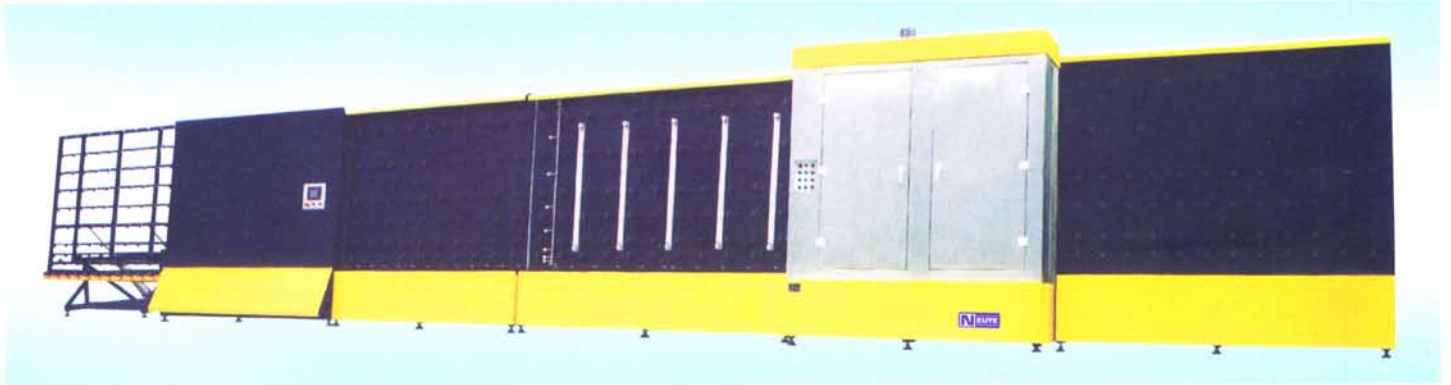

NGL04-VAE

Vertical automatic insulating glass production line

NGL01-VSA

Vertical semi-automatic insulating glass production line

NGL04-VAI

Vertical automatic insulating glass production line

NG01

Horizontal glass-rinsing and dryness machine

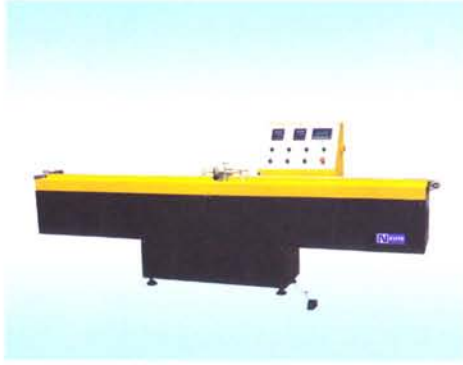

NG02

Hot roller press machine

NG03

Cold press machine

**NG04**

Butgl extruder machine

**NG05**

Double group extruding machine

**NG06**

Double group extruding machine

**NG07**

Glass border polishing machine

**NG08**

Rotated sealant-spreading table

**NG12**

Glass cover table

**NG09**

Aluminum spacing bar cutting machine

**NG13**

Glass carry table

**NG11**

Alu-space-slip bender

**NG10**

Molecular sieve filling machine

**NG14**

Finished glass carry vehicle

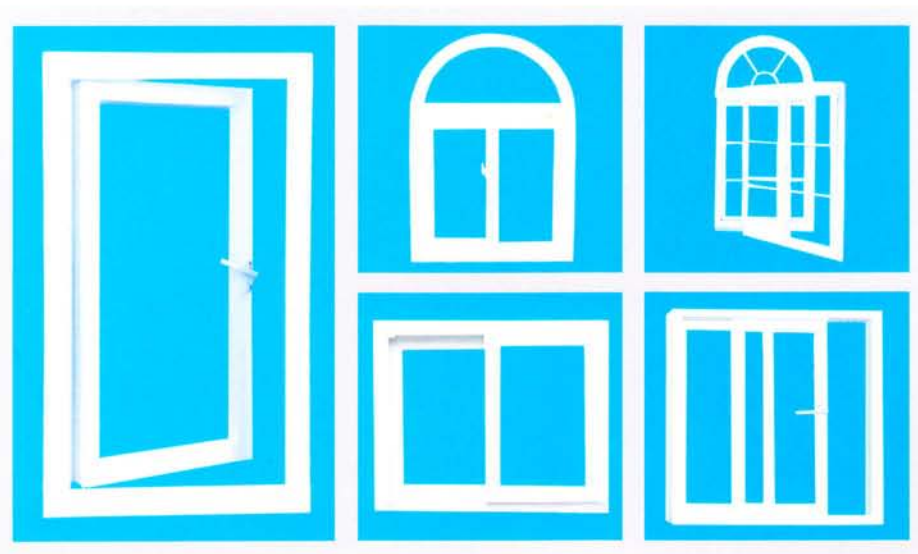

**NG15**

Semi-auto aluminum transfer machine

* Specification is subject to change without prior notice.

Solution for uPVC Fabricators

HEVTA HEVTA CO., LTD.

35/183 Moo 2, Ekachai-Bangbon Rd., Bang Nam Jud,
Muang, Samutsakorn 74000
